The No.1 Interactive Network ZTV 33 [Edit](#)

July 17, 2010

ZTV 33 is now a strong number one interactive TV network as the **Kamang-Anak** network of **ZOE Broadcasting Network** in the UHF network war, behind UHF giant networks **UNTV** and **Net 25**.

Admits **ZOE** chairman Bro. Eddie Villanueva and **ZTV** station manager Jonathan Habson. "We will be very interactive now go head-on with those giant networks. They are battling for the masa audience.

Villanueva, who is also the chair of **ZOE** and management of the **Kapisanan ng mga Brodkasters sa Pilipinas (KBP)**, in a recent **KBP** meeting had told now compete with **UNTV** and **Net 25**.

He says **ZTV 33** has hired Kata Inocencio as its president and CEO, which is making a scientific study on the mass market. "We will produce edified and feel-good shows, instead of programs that make viewers," Villanueva says.

ZTV 33 is now offering a variety of primetime shows in different genres starting this month, including local TV specials, new children's programming.

"We want to make the network's programming as interesting and as varied as possible, and attuned to current developments and situations in the world today," he says.

Buddy Zamora Musical Experience and the flagship newscast on like primetime **Balita Ngayon** and late-night **ZTV Interactive News**.

Two new foreign programs will be introduced: weeknight **Edgemont** and **Mission: Impossible** dubbed in Filipino.

New brews at ZTV, the Kamang-Anak Network this 2012

(Released on July 5, 2012)

ZTV 33 has a dashing new look these days and more competition with the UHF major **UNTV** and **Net 25**. Despite being saddled with equipment that have seen better days in **ZOE Broadcasting Network**. They seem to be succeeding, if some new program offerings are to be the basis.

The station that bred and brought to Filipino homes such TV landmarks into the network giants. **ZTV 33** is now the **Kamang-Anak** network and the new monicker was introduced with an engaging jingle and new theme sung by Bea Binene. The **ZOE** employees is behind much of the new format we hear.

ZTV 33's new programs are worth anticipating and hopefully developing loyalty for. Made some noontime children's programming such as **KiddieLand**, the newest children's noontime anime block every Mondays to Saturdays from 12:00 nn-2:00 pm. With such **KiddieLand** shows like **Noontime Toons**, **Classic Cartoons**, **Mickey Mouse Works**, **DuckTales**, **Disney's Magic English**, **Dinosaucers**, **The Real Adventures of Jonny Quest**, **Magilla Gorilla**, **Wacky Races**, **Mickey Mouse Clubhouse**, **My Friends Tigger & Pooh**, **Popeye Show** and **Animation Specials** are all dubbed in Tagalog.

The new **ZTV** programs include **Chito Alcid Talk Show** (Saturdays, 3:00 pm), **Juan On Juan** (Mondays, 10:00 pm), **The BOSS, the Conjuor** (Saturdays, 10:00 pm), **Gimme A Break** (Saturdays, 6:15 pm), **Hearts on Fire** (Thursdays, 10:00 pm), **Mr. Shooli's No Holds Barred** (Fridays, 10:00 pm), **Urban Nights** (Fridays, 8:30 pm), **Worlds of Fun TV** (Saturdays, 4:00 pm), **Lynn Sherman Show** (Saturdays, 8:30 pm) and **JMNTC New Generation** (Saturdays, 4:30 pm)

We are indulged with a daily dose of the national pastime, entertainment gossip, courtesy of Ricky Reyes' **Showbiz Na Showbiz** (Mondays-Fridays, 8:00 pm). There is new Tagalized series are **Edgemont** (Mondays-Fridays, 9:30 pm), **Kamen Rider Dragon Knight** (Saturdays, 7:00 pm) and **Mission: Impossible** (Saturdays, 8:30 pm). For the flagship newscast like primetime **Balita Ngayon** (Mondays-Fridays, 6:00 pm) and late-night **ZTV Interactive News** (Mondays-Fridays, 11:00 pm)

We are particularly keen on teleserye ***Ikaw and Mahal Ko***. Starring Richard Yap, Precious Lara Quigaman and Tessie Tomas with director Zoren Legaspi. It not only the life into the family which we are all familiar may have overtaken us in the drama TV genre. When local networks were panic-buying from Mexico for telenovelas, we least expected that one day we would be importing TV programs from local dramas. ***Ikaw ang Mahal Ko*** is the new soap opera on TV about the one father and two mothers of life.

The **Kamang-Anak** network have struck a golden partnership by providing viewers, chiefly family just home from house, a refreshing primetime, and sugar of telenovelas or the gore and sensationalism of newscasts. Catch the teleserye, weeknights at 9:20.

Light TV's new shows in 2013

We are pleased to inform you that by God's abounding grace, we are now set to launch Channel 33 ("Light TV"), the newest free TV in the Philippines! Channel 33 is a platform for Christians to produce and/or view programs that promote Christian values. It also aims to equip the young generation with effective tools to create abundant living through relevant TV programs.

Light TV 33 provides alternative programming that aims to capture the taste, heart, and mind of young Filipino viewers. It provides quality value-oriented programs, reliable delivery of information and direct basic services to the public, making them also the number one station.

We at Zoe know that reaching this huge -- and growing -- market will be no easy feat. It will be a great challenge for us to attract commercial advertising as the nature of our programming will, for the most part, promote Christian conservative values in a society that is growing more and more liberal every day. Much will be needed to cover station operations as well as payments for government fees and censorship permits and licenses while we seek to develop our viewer base.

In connection with this, we would like to ask your help to meet our objectives and continually reach and win more souls through evangelism using our programs in Channel 33 ("Light TV"). We believe that your good heart is generous in supporting such a worthy cause for the expansion of God's Kingdom!

And now, brothers and sisters, we want you to know about the grace that God has given the Macedonian churches. In the midst of a very severe trial, their overflowing joy and their extreme poverty welled up in rich generosity. For I testify that they gave as much as they were able, and even beyond their ability. Entirely on their own, they urgently pleaded with us for the privilege of sharing in this service to the Lord's people - 2 Corinthians 8:1-4

GLOBAL REPORT is the late night Filipino news program of ZTV News, anchored by Chichi Fajardo Robles and Jun Obrero. Since its inception in October 2008, *Global Report* has always been at the cutting edge in delivering the news as they happen, but also in trying to analyze their significance.

Among its foremost objectives is to give the overall picture of news events. Being the late night news program of ZTV News, *Global Report* takes advantage of its lead time to get the meat of news stories and present them with the use of cutting edge visuals.

It tries to explore and present the different angles and aspects behind the headlines: how they happened, why they happened, and what can Filipinos expect in the near future. The result is a package of stories neatly wrapped and presented to viewers, easy to understand---yet serious. *Global Report* believes events overseas deserve as much media attention as local news do. Because information and technology brings countries closer together, *Global Report* keeps in step with the trend to go global.

In its pursuit of editorial excellence, the program exercises a high degree of journalistic responsibility, never compromising in running after stories. It is for these reasons that *Global Report* constantly seeks out issues that affect society.
